

MAP SUMMER 2020 Course Material List

Listed below are all MAP courses and materials for Summer 2020. Items purchased from the Marian University Bookstore can be charged to your student account, as well as other convenient charging options. Visit campus, www.marianstore.com, call 317-955-6314, or email bookstore@marian.edu for all your course material needs!

Some titles may have an eBook pairing that is suitable in lieu of the physical ISBN on this list. It is recommended that students purchase books no earlier than four weeks before the start of the course, as titles and availability are subject to change.

Important notes when ordering eBooks and access codes:

Ebooks are digital formats of a textbook. Access codes are physical cards with a printed code that gives access to various extras depending on the publisher (i.e. digital labs, homework assignments, quizzes, tests, etc). Do not wait until the last minute to order because these access codes are not delivered to you electronically; they are mailed to you. Unless backordered, the campus bookstore guarantees a 24-business hour turnaround for online orders. If ordered on a Friday the bookstore may not process and ship the order until Monday. Please be aware of your mailing address and shipping speed in relation to the Indianapolis campus.

If in doubt, please contact your instructor directly or the MAP office prior to purchasing.
